

OBSERVATION OF WORLD HEALTH DAY, 2023

Every year the department of Physiology observes WORLD HEALTH DAY successfully. The students, teachers and the doctor our medical team in collaboration with IQAC organized a one day free health check-up for the students, teaching and non-teaching staffs our college on 7th April, 2023. The students of department took part actively by checking the participants BMR, Blood pressure, and visual acuity. Few efficient students examined the participants color vision of eye, blood group, oxygen saturation by using Ishihara chart, ABO blood test kit and pulse oximeter accordingly. More than 100 students, teachers and non-teaching staffs participated in the program. Doctor our medical team examined random blood glucose level for the willing participants. Our Principal sir Dr. Subrata Chatterjee and IQAC Coordinator Dr. Pulakesh Sen inaugurated the program.
