

## PHYSIOLOGY: DEPARTMENTAL ACTIVITY, 23-24

# OBSERVATION OF CHILDREN'S DAY, 2023

---

Every year the department of Physiology observes Children's Day successfully. The students, teachers and the doctor of our medical team in collaboration with IQAC organized a one day free health check-up for school students of Gandhi Centenary Modern School on 18<sup>th</sup> November, 2023( instead of 14<sup>th</sup> Nov.,23). The students of department took part actively by checking the participants BMR, Blood pressure, and visual acuity. Few efficient students examined the participants color vision of eye, blood group, oxygen saturation by using Ishihara chart, ABO blood test kit and pulse oximeter accordingly. More than 50 students were participated in the program. The students of class II, III & IV have taken part of this program.
